- **Versatile & Easy to Use:** Works with **all joint compounds** and application methods (hawk & trowel, roller, sprayer, boxes, bazookas, plungers).
- **No Peeling with Multiple Layers:** More mud just makes the wall stronger.
- **Polish with No Sanding Required:** Mudd **Rehydrates** by misting with water within **24 hours** to re-tool, polish smooth as glass or finish to desired texture.
- **Use Muddskip Finisher and Conditioner** for even more strength and a plaster equivalent finish, like **Venetian Plaster Finish**.
- **Tensile Strength** beyond belief with more **FLEX**, **REDUCES CRACKING**, Won't **SCRATCH**, **LESS POKING**, **PINNING**, **DRAW**, **PEELING**, **CHALKINESS**.
