

It's time for something new, meet Aquor the only outdoor faucet you'll ever need.

Founded in Port Townsend, WA over 20 years ago as a small family business. Aquor has innovated outdoor water access with patented quick-connect technology. We are committed to crafting durable, innovative solutions for homeowners, builders, and more.

Burst-Proof & Stress-Free

7x better insulation than brass —unplug to drain, seal, and winterize. No foam cover or burst pipes.

Leak-Free Quick-Connect

Enjoy leak-free water access with a simple push and twist. Gentle on hands and joints.

Minimal Design, Lasting Durability

Discrete water security made with lead-free 316L stainless steel and military-grade polymers.

Limited Lifetime Warranty

Protected by a limited lifetime warranty for decades of maintenance-free use.
